**Budget 2022-23**

**9th March 2022**

### **Budget 2022-23 Highlights**

The Budget for the year 2022-23 was presented today by the Hon'ble Chief Minister. Presented in the year of the 75th anniversary of India's independence, the budget broadly is a strong step towards fulfilling the objectives aligned with the village-centric new economy based "**Chhattisgarh Model**". During the last three years, meaningful steps have been taken by the Government towards furthering the values of freedom and fulfilling the dreams of the Father of the Nation Mahatma Gandhi. This budget is a strong effort to realize Mahatma Gandhi's basic mantra of extending the benefits of the government's welfare schemes to the last person of the society.

The Budget is dedicated to state's farmers, landless farm labourers, economically weaker sections, economic progress of the villages, new dimensions of quality and progress in education, strengthening of health and medical facilities, welfare of Scheduled Castes, Scheduled Tribes and other backward classes, all-round development of women and children, creation of new opportunities for employment and entrepreneurship for the youth, securing future of government employees, rapid development of rural and urban infrastructure, and to the people of the state with the feeling of empathetic administration.
